TREGOLLS COMMON

Decisions Required:

- 1. To agree that the resolution passed in September 1990, be followed through:**
The Council resolves to act as the guardian of this public asset by serving formal notice to remove the unauthorised fencing and structures within 14 days, failing which the Council will arrange for their removal to prevent the permanent loss of public land."

REPORT:

"In pursuit of the Council's standing resolution of 3 September 1990 to protect common land, the Council hereby resolves to fulfil its long-standing commitment. Noting that Tregolls Common is registered common land with no registered owner, the Council invokes its statutory powers under Section 45 of the Commons Act 2006. The Council resolves to act as the guardian of this public asset by serving formal notice to remove the unauthorised fencing and structures within 14 days, failing which the Council will arrange for their removal to prevent the permanent loss of public land."

As you are aware, this is a very long-running and protracted issue that has spanned several decades. From the 1983 Commons Commissioner decision to the 2016 High Court judgment, the unlawful fencing of this common has remained a source of conflict and a persistent deprivation of public rights. It is a situation that clearly needs to be brought to a final resolution to secure the land for the community once and for all.

It is important to establish that the individual responsible for the enclosure possesses no ownership of, or proprietary title to, the land upon which the fencing is sited. Furthermore, as the necessary statutory consent under Section 38 of the Commons Act 2006 was never granted, the structures constitute an unlawful incursion. Consequently, the party in question possesses no legal right whatsoever to maintain these structures on land which they do not own.

As you previously identified, the Land Registry for this parcel is currently blank. This, combined with the 1983 Commons Commissioner Decision (Ref: 206/U/124) which ruled the land has no owner, places the Council in a very strong legal position to act.

Furthermore, the discovery of the resolution from the Parish Council meeting held on 3 September 1990 is particularly significant. It was formally resolved at that time that the Council would act to protect the common land. As there is no evidence that this resolution has ever been rescinded or reconsidered, it remains a standing mandate of Stithians Parish Council which has yet to be fully discharged. It therefore falls to the Parish Council to act to satisfy its existing mandate and protect this community asset.

While our policy mandate comes from 1990, our legal authority is Section 45 of the Commons Act 2006, which allows a local authority to act as the guardian of ownerless common land to protect it from "unlawful interference."

Stithians Scarecrow Festival 2026

Decisions required:

1. That Stithians Parish Council are happy to once again organise the Scarecrow Festival in conjunction with Stithians Agricultural Association
2. To decide on which Parish Councillors will form a subcommittee with the Stithians Agricultural Association to organise the event
3. To decide upon which village organisation should receive a 50% share of the profits from the event (other recipient to be decided by Agricultural Association)

After five successful years of running the Scarecrow Festival I have been approached by members of Stithians Agricultural Association to see if we are willing to help them organise and run the festival again in 2026. The event has already been advertised in the Stithians Times with the theme of "Occupations".

The date of the festival is the 4th and 5th July 2026 and we need at least two members of the Parish Council to form part of the small subcommittee that organises and runs the event.

In addition, at the request of Parish Councillors following the 2023 event, we need to decide on a village organisation to receive a 50% share of the profits from the event (other recipient to be decided by Agricultural Association). Previous recipients have been:

- Christmas Lights- 2021 and 2022
- Playing Field Fund- 2022 and 2025
- Stithians Preschool - 2022
- Stithians School- 2023
- Stithians Cubs and Scouts - 2023
- Stithians Rainbows and Brownies- 2024
